Brother,  
 It seems so long  
 since the 9<sup>th</sup> June, the day I received  
 your last letter with the circular  
 notes - I wrote on the 9<sup>th</sup> & have  
 written again both to you & dear  
 on the 30<sup>th</sup> June - & then I sent you  
 by the same post, a large card  
 with dried flowers very prettily  
 arranged round a picture of  
 "The Good Shepherd" which I hoped  
 would please you - Perhaps you  
 may not have received them;  
 in which I trust has not been  
 the case, that you have been too
